Change the world

Refrain

1. If I could reach the stars, pull one down for you.
2. If I could be king, even for a day,

Shine it on my heart, so you could see the truth.
I'd take you as my queen, I'd have it no other way.

That this love I have inside is everything it seems.
And our love would rule in this kingdom we have made.

But for now I find, it's only in my dreams that I can
Till then I'd be a fool, wishing for a day

You would think my love was really something good, baby if I could
Change the world, I would be the sunlight in your universe.
