Go gentle
Robbie Williams

LS.: Franz Gratzer

1. You're gonna meet some strangers,
   Wel-come to the zoo,
   Some of them are angry,
   Some of them are mean.

2. Don't try to make them love you,
   Don't an-swer every call,
   Some of them are dea-dly,
   Some don't let it show.

1. Bit-ter dis-ap-point-ments
   Ex-cept for one or two.
   Most of them are twist-ed,
   Few of them are clean.

2. Ba-by be a gi-ant,
   Let the world be small.
   If they try and hurt you
   Let your dad-ly know.

1. Now when you go danc-ing with young men
   Don't waste time with the idiots that think they are heroes,
   They will be-tray you,
   Stick with us weir-dos.

2. If they haven't earned it
   Keep search-ing, it's worth it.

Refrain

1. + 2. For all your days and nights
   I'm gon-na be there,
   If all your days are nights,
   If you want me I'll be there,
   I'm gon-na be there,
   If you want me I'll be there,
   I'm gon-na be there,
   If you want me I'll be there,
   I'm gon-na be there,
   Yes I will.
   Go gen-tle
   If you want me I'll be there,
   When you need me I'll say my name and I'll
   Be there for you.
