We are one

1. But you'll see every day that we'll never turn away when it seems all your dreams come undone.
2. Even those who are gone are with us as we go on your journey has only begun.
3. We are one, you and I we are like the earth and sky one family under the sun.

1. As you go through life you'll see there is so much that we don't understand.
2. If there's so much I must be can I still just be me the way I am?
1. and the only thing we know is things don't always go the way we planned.
2. Can I trust in my own heart or am I just one part of some big plan?

1. We will stand by your side filled with hope and filled with pride we are more than we are, we are one.
2. Tears of pain, tears of joy one thing nothing can destroy is our pride, deep inside we are one.
3. All the wisdom to lead all the courage that you need you will find when you see we are one.
