What the world needs now is love, sweet love, it's the only thing that there's just too little of. What the world needs now is love, sweet love, no, not just for some but for everyone. What the world needs now is love, sweet love, no, not just for some but for everyone.

1. Lord, we don't need another mountain, there are mountains and
2. Lord, we don't need another meadow, there are cornfields and
1. hillsides enough to climb, there are oceans and rivers ever-
2. wheat fields enough to grow. There are sunbeams and moonbeams, ever-
1. enough to cross, enough to last till the end of time.
2. enough to shine, oh listen, Lord, if you want to know.

Oh what the world needs now is love, sweet love, it's the only thing that there's just too little of. What the world needs now is love, sweet love, no, not just for some but for everyone, ever, ever, ever-one.

What the world needs now is love, sweet love. Oh.
