1. I drove for miles and miles and wound up at your door.
2. It’s not always rainbows and butterflies, it’s compromise that moves us along yeah

1. I’ve had you so many times, but somehow I want more.
2. My heart is full and my door’s always open, you can come any time you want.

Refrain: I don’t mind spending every day out on your corner in the pouring rain
Look for the girl with the broken smile, ask her if she wants to stay a while,
And she will be loved, yes she will be loved.

2, 3. loved, and she will be loved, yes she will be loved.

Bridge: I know where you hide alone in your car know all of the things that make you who you are.
I know that goodbye means nothing at all, comes back and begs me to catch her every time she falls yeah.
Tap on my window, knock on my door, I want to make you feel beautiful.
