**You'll be in my heart**

*Phil Collins*

*I.S.: Franz Grater*

1. Come stop your cry-in' and we'll be all-right. Just take my hand, hold it tight. For one so small you seem so strong, my arms will hold you keep you safe and warm.

2. Why can't they understand the way we feel? They just don't trust what they can't explain.

---

1. I will protect you from all around you, I will be here, don't you cry. This bond between us can't be broken, I will be here, don't you cry.

2. I know we're different but deep inside us we're not as different at

---

**Refrain**

1. I cry. 'Cause you'll be in my heart, yes you'll be in my heart.

2. Oh all.

---

2. zur Bridge

You'll be in my heart, no matter what they say, you'll be here in my heart always.

---

**Bridge**

Don't listen to them 'cause what do they know? We need each other to have, to hold, they'll see in time may not be with you but you've got to hold on, they'll see in time

---

1. I know! We show them together 'cause

---

2. I know!
Refrain

you'll be in my heart, believe me you'll be in my heart

I'll be there from this day on now and forever more.

You'll be in my heart, no matter what they say,

you'll be here in my heart always, always,

I'll be with you, du du I'll be there for you always, du du always and always.

Just look over your shoulder, just look over your shoulder,

Just look over your shoulder, I'll be there always.
